

Premier charity auction website

-**Giving Lots** is an auction website, offering charities and their supporters a secure, trusted, professional and personal platform from which life style items can be auctioned.

-For profit business giving registrants the opportunity to buy variety of items whilst benefitting charity. Introducing the concept of **GIVING BY BUYING**.

-Launched in 2008, have already raised and facilitated over **£500,000** for 200 partner charities.

-Both charities and supporters are able to auction items via the site, anything from tickets, holidays and experiences to signed celebrity memorabilia and designer clothes. 85% of money raised benefits the charity.

-Extended the service to included online auction campaigns, virtual events, and preview of actual live auctions.

-**Wish List** facility, allows charities to 'sell' items they require for their charitable work, for example a wheel chair or researching funding.
